

Medical Engineering Seminar
Robots with a Gentle Touch

Speaker: Dr. Zheng WANG

Date

Monday, Oct 20, 2014

Time

5:45 pm – 7:00 pm
Refreshments will be served

Venue

Chow Yei Ching Building
Room 603

§~~~~~§§~~~~~§
Robots have never been closer to us. Nowadays, wearable assistive devices and surgical robots are in widespread clinical use. In this talk, Dr. Wang will tell us about the essentials of medical robot design. Recent advances in soft robotics will also be highlighted.

ABOUT THE SPEAKER

Dr. Zheng WANG is an Assistant Professor in the Dept. of Mechanical Engineering at HKU. His research interest covers several areas in medical robotics, from surgical devices to wearable assistive devices. Dr. Wang holds a first degree from Tsinghua University, MS from Imperial College, and PhD from TU Munich. He also did postdoctoral training at Nanyang Technical University and Harvard University.

Organizer & Host: Dr. Alfred Yu (alfred.yu@hku.hk)

All are WELCOME!
